

We invite you to join our second 'ON YOUR DOORSTEP' trip for a hosted tour of St. Mary's, Houghton-On-The-Hill.

Hidden down a bridle way close to Peddars Way in the rural Norfolk Brecks, stands the church of St. Mary, Houghton-on-the-Hill. St. Mary's, is one of the most remarkable early churches in East Anglia.

The fact that it has survived from this deserted medieval village, and with it maybe the oldest large-scale religious wall paintings in Britain is nothing short of a miracle, a miracle that one man, Bob Davey MBE, achieved through dedication, hard-work and often his own money too.
